

Leaf Memories

What you'll need:

Collected leaves

Crayon

Paper

Steps:

- Forage for some leaves and flowers whilst on a bush walk

**It is important NOT to collect anything from national parks*

- Place a piece of paper over the leaf
- Using a crayon, gently rub over the area of paper that has the leaf underneath
- Use different colours and types of leaves to create a masterpiece!
- Don't forget to put the leaves back on the ground before you leave, even dead leaves play an important role in nature!
