

Nature Fossils

What you'll need:

Leaves and flowers (dried or fresh)

Paper

Air drying clay

Vaseline or Petroleum Jelly

Water

Steps:

- Go on a walk to collect leaves, flowers, sticks and anything else that could be used to paint with

**It is important NOT to collect anything from national parks*

- Gently paint the leaves / flowers with Vaseline
- Work a small amount of air drying clay into a coaster shape on a piece of paper
- Gently press each object into the top of the plaster and then gently peel it off
- Leave them to dry for at least 12 hours
- You can then choose to leave them as they are or paint them once dry
