

Nature Frame

What you'll need:

Thick craft sticks
Air drying clay
Flowers and leaves
Paint
Coloured thread
Glue
Small pegs

Steps:

- Forage for some leaves and flowers to use for your frame
- Use thread to tie 4 thick craft sticks together in a rectangle
- Tie a thread through the middle of the frame and put little pegs on the string
- Gently mould the clay to the sticks
- Paint the clay if you wish
- Gently press the flowers and leaves into the clay to make imprints of what you've found
