

Nature Painting

What you'll need:

Sticks (1 for each paint brush)

Lots of interesting pieces of nature

Elastic bands (or string)

Poster paint

Paper

Steps:

- Take your children on a short walk through the back yard, around the neighbourhood or local park
- During your walk collect leaves, flowers, sticks and anything else that could be used to paint with
**It is important NOT to collect anything from national parks*
- Use the string/rubber bands to secure the pieces of nature to sticks to create your nature brushes
- Use your nature brushes to paint beautiful paintings
