

Terrarium

What you'll need:

Clear 1L bottle
Coloured thread
Glass flat marbles
Paper towels
Scissors
Masking tape
Pebbles
Potting soil
Small plant

Steps:

- Cut off bottom third off the bottle, then snip 4 slits into bottom section
- Decorate the top half of the bottle, just above the cut with thread and flat marbles
- Add pebbles into the lower section of the bottle
- Place the plant on top of the pebbles and then fill in with potting soil
- Spray the plant with water
- Place lid back over bottom portion, pressing in snipped pieces to fit
