

MAKE A

Bird Feeder

What you'll need

- Wild bird seed
- Peanut butter
- Toilet paper rolls
- String or yarn for hanging

Steps

- Spread peanut butter on the outside of the toilet paper roll.
- Make sure you cover it well.
- Pour some bird seed onto a plate. Shake it gently so that it spreads out.
- Roll the peanut-butter-covered toilet paper roll in in the seed. Keep rolling and pressing gently until it is well coated.
- Cut 50cm of string. Thread it through the hole in the toilet paper roll and knot the ends together.
- Find a branch, hang your feeder, and wait for the birds to come!
