

MAKE *Leaf Memories*

What you'll need

- Different-shaped leaves from your garden
- Crayon
- Paper

Steps

- Go on a bushwalk or find leaves and flowers in the garden. *[Note: It is important to never collect anything from national parks.]*
- Place a sheet of plain white paper over the leaves.
- Using a crayon, gently rub over the areas that have leaves underneath.
- Use different colours on the different shapes and types of leaves to create your masterpiece!
- Once you are finished, put the leaves back outside to create shelter for animals.
